Oct. 4th, 2011 Meeting Minutes:

At this months meeting it was discussed that this years board continue into next year. Remember folks that at the next meeting Nov. 1st there will be nominations held for the board unless voted the existing board continue, as well as discussion of our upcoming race and job duties assigned. So remember to come out and support the club. At the meeting and the race. The more people that participate the better the club and the better the events!

Posted above is info of LivFast running an OTHG practice and race. Stead on Oct.22nd-23rd will also be running a similar format. It's nice to see more events come are way. It's just yet another reason to be part of the club. I think I speak for the club when I say, "thank you" for supporting our sport and club.

On another note if you haven't heard. A fellow rider Justin Mustalka who you may know has fallen victim to cancer. There will be a benefit ride for him and his family at Reno Fernley Raceway to help them raise money to help pay for his chemo treatments Oct. 16th. If you're interested in participating in the event or just simply want to help out and donate to the cause here is the link incase you missed it in my email <http://4theriders.com/>. Once on the page if you scroll down you will see the options of enrolling for the track day via pay pal or just simply donating thru pay pal. Let's show our support! I know I will.
